

Clothing Policy 5DME.NET

1. Airside clothing is to be the following.

When airside and for safety all 5DME members should wear Yellow/Lime logo printed 5DME worker safety type shirts.

2. Landside clothing – public areas.

Casual or 5DME safety shirt. EG: Safety shirt whilst working roadside or in a car park. Ideally in areas where we may be reported, for instance behind Harbour Town, at Fire gates etc.

3. 5DME Printed Clothing.

Printed 5DME clothing is not to be provided to other persons (non-crew). We do not want people passing off as 5DME crew. Official clothing is not to be worn as a general garment. EG when not going about 5DME business.

4. Care of 5DME Clothing.

Care of the clothing provided by 5DME is the responsibility of the holder. Clothing should be maintained in a clean, neat and undamaged state. If clothing is damaged in the course of 5DME business it will be replaced. If clothing becomes damaged or unusable due to lack of care the holder will pay the replacement price of the clothing at cost.

The 5DME Team Leader will arrange all 5DME clothing.

5. Upon leaving the crew of 5DME.

Clothing is to be returned to 5DME should a member of the crew leave the service of 5DME Adelaide.

Leaving the crew is defined as permanently leaving not just a break away.
