

Photographic Acknowledgements Policy 5DME.NET

(Revised: 7th September 2008 to accommodate no new members policy)

Procedures for crediting photos

1. All photos by 5DME crew are to be credited FIRST NAME, LAST INITIAL to avoid spam.
2. Images from the public will not generally be accepted for display on our site. If image are used in special circumstances, credit will be FIRST NAME, LAST INITIAL to avoid turning 5DME into a "BEST SHOT" competition and to stop reputation riding on 5DME's back.
3. Items from certified sources are to be credited to those sources. Information should be sought on how the credit is required. For instance; A company name.
4. Care should be taken when accepting content from the public. Everything to be verified. Including copyright and our right to display.
