

Membership Policy 5DME.NET

REVISED: 7th September 2008.

1. **All membership to 5DME crew is by INVITATION ONLY.**
2. **No open sign-up (general memberships) are allowed. 5DME is not a public club.**
3. **We prefer not to take any new crew as the site is the efforts of the initial four persons.**

However, this is not to say that someone with a relevant skill may be asked to assist.

4. **Those agencies or companies that assist us will be given an acknowledgement.**

The reason for acknowledgement and not a membership as we do not maintain business relationships for commercial improvement of these sources. We are non-profit, non-associated.
